FAQ

DO YOU TRAVEL?

We love to travel, and absolutely LOVE destination weddings! You may pick one of our popular wedding packages, or we can build a new collection of services personalized to your needs. We also offer photography coverage for vacations and honeymoons to document your trip as well.

DO YOU HAVE ANY DISTANCE RESTRICTIONS WHEN IT COMES TO DESTINATION WEDDINGS?

No, we are always ready to go, passport in hand! We are experienced with traveling nationally, as well as internationally, by land, air, and sea.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

All formal portraits are professionally retouched, removing blemishes and distractions. Please let us know if you want to keep beauty marks, scars, etc, and we will leave them untouched. All photos will have basic professional retouching completed. This includes color correction, exposure adjustments, and other processing adjustments as needed.

DO I HAVE TO GET MY ALBUMS & PRINTS FROM YOUR STUDIO?

No, you are not required to purchase any of your products through us. You will receive a print release, allowing you to print and send your images anywhere.

I'M READY TO BOOK, WHAT IS NEXT?

Congratulations! Reach out to us so we can learn more about you, discuss the details of your wedding, go over our contract, and collect your first payment to secure your date!
